Product Description

Automatic Coffee Machine Cool Espresso 20 Bar Stainless Steel Cappuccino

Enjoy barista-quality coffee at home with this 20 Bar automatic coffee machine featuring cool espresso capability and a stainless steel body for lasting durability. The 1350W power delivers fast heating, while the 1.8L water tank allows multiple cups without frequent refilling. The touch screen display makes selecting espresso, cappuccino, latte, americano, and cool espresso effortless. The built-in adjustable grinder ensures freshly ground beans, while the automatic milk frothing system creates creamy foam for specialty drinks. Programmable temperature control ensures consistent results, and self-cleaning simplifies maintenance. Available in 5 operating languages. Perfect for hotel, household, home, and kitchen use.
