Product Description

Automatic Coffee Maker 20 Bar Cool Espresso Cool Milk Cappuccino Latte 2L Tank

Experience the perfect balance of hot and cold coffee with this 20 Bar coffee machine featuring cool espresso and cool milk capabilities for year-round refreshment. The 1350W power delivers fast heating, while the 2L water tank allows extended use without frequent refilling. The adjustable grinder lets you customize grind size for optimal extraction, while the automatic milk frothing system creates creamy foam for espresso, cappuccino, latte, americano, and cool espresso drinks. Programmable temperature control ensures consistent results, and self-cleaning simplifies maintenance. The stainless steel body with plastic components ensures durability. Perfect for home, kitchen, office, and iced coffee lovers.
