Product Description

20Bar Espresso Coffee Machine with Grinder and Pressure Gauge for Home

The Professional Espresso Machine with Grinder features a built-in conical burr grinder with 22 adjustable settings, a 20-bar Italian pump, and a pressure gauge display for precise extraction. This digital-controlled semi-automatic machine includes a 2L water tank, 0.4L detachable milk tank, and thermoblock heating system for consistent temperature. Perfect for brewing Espresso, Cappuccino, Latte, and Americano at home, office, or kitchen — with single/double cup options and easy self-cleaning.
