Product Description

Product Description

1000W 5-in-1 Sandwich Maker Interchangeable Nonstick Plates Digital Touchscreen

Create perfect paninis, grilled sandwiches, steaks and waffles with this digital touchscreen sandwich maker – a 1000W 5-in-1 electric grill featuring interchangeable nonstick plates. The non-stick cooking surface ensures effortless food release and quick cleanup, while the adjustable thermostat with 3 selectable browning levels precisely regulates heat for perfect results every time.
